RACE: Regatta Centre Criterium

Another good turn out of 100+ riders. Extremely windy conditions meant that down the finishing straight there wasn't an easy ride for anyone.

An initial break of 6 riders kept the pace high for the first part of the race. Eventually the lead group split and they came back. With a lap and a half to go there was a solo move then another rider took off in pursuit and finally a third rider attacked. They joined up and worked well to stay clear as a bunch of 3 although one of them couldn't hang on during the final push into the headwind. The remaining 2 stayed clear taking 1st and 2nd.
