RACE: Regatta Centre Criterium

125 riders turned up tonight proving the popularity of the Regatta Centre as a user friendly race circuit. Weather was kind, not too hot and not too windy.

A GRADE

The wind coming from the east made staying off the front difficult but 3 or 4 laps from the finish Andrew Payne slipped off the front and was quickly joined by Paul Conner. Eddie Salas and myself were next but I didn't last long and went back to the bunch. Phillip Stokes and Brodie Talbot were the last 2 to bridge across, all 5 riders worked well to keep the bunch at bay with Phillip and Eddie finishing 1st and 2nd, 3rd was Andrew Payne. - Pete Hackney
