RACE: Winter Road Series 2013

A GRADE

The race started slowly with a small group trying to get off the front several times but always being caught by the pack; with Slaps to go Jordan Davies tried to escape but was caught with 3 laps to go; at 2 laps to go Peter Milostic escaped with Shaun McManus on his wheel. In the bends coming to finish line Shaun was dropped and was caught by the pack. Peter continued to win just in front of fast finishing Jordan Davies. During the last 2 laps was the first time I have not heard Shaun talking. A fall occurred in the bends on the last lap - all riders are okay.

B GRADE

The race stayed together until a small group broke away which Scott Reynolds and Ricky Bushell started. As lots of riders tried to catch the breakaway; this caused many groups in the race until all were caught. Many riders tried to breakaway but none succeeded so the last 2 laps was ridden for position in sprint.
