RACE: Winter Series Racing - Round 13

70 riders turned out on a beautiful spring morning at the Regatta Centre

A GRADE

The race started off slowly allowing a break of three including Nick Brain and Andrew Homann to escape and get a significant gap. These riders were away for a couple of laps before being reeled in by the pack. There were other minor breaks but none succeeded until Andrew Payne and Peter Milostic tried for a couple of laps before being caught. With four laps to go Andrew Payne tried his luck solo - he built up a good lead but was caught on the last lap in the back straight resulting in a bunch sprint.
